

**ONE STOP PARTNERS  
MEMORANDUM OF UNDERSTANDING  
As Required By  
THE WORKFORCE INNOVATION & OPPORTUNITIES ACT  
Between  
Northeast Indiana Works  
&  
Indiana University & Purdue University Fort Wayne**

**I. Parties**

This Memorandum of Understanding (MOU) is entered into by and between Northeast Indiana Works, hereinafter referred to as NEINW, the one-stop operator and the Workforce Development Board for the Northeast Indiana Workforce Investment Area and Indiana University Purdue University Fort Wayne, herein referred to as IPFW, representing the Postsecondary Career and Technical Education programs under the Carl D. Perkins Career and Technical Education Act of 2006.

**II. Introduction and Purpose**

Northeast Indiana Works, the region's non-profit workforce development organization and Workforce Development Board (WDB), provides public and private financial and employment resources for education and skills training to meet the needs of regional industries. Each year, we serve more than 30,000 individuals and 1,300 employers in Adams, Allen, DeKalb, Grant, Huntington, LaGrange, Noble, Steuben, Wabash, Wells and Whitley counties. Our operational, funding and service delivery policies are guided by the federal Workforce Innovation and Opportunity Act ("WIOA"), which seeks to increase access to employment, education, training and support services for youth and adults. WIOA promotes work-based learning opportunities, such as apprenticeships and internships, and encourages the development of career pathway strategies.

"WIOA" requires an MOU between the WDB and all one-stop partners. As identified within the legislation, the CTE programs operated under the Carl D. Perkins Career and Technical Education Act, is a federally mandated One-Stop System Partner, and falls under federal and state guidance (as identified in WIOA Section 121 and 134, and Indiana Department of Workforce Development Guidance 2016-08) for shared infrastructure costs of the One-Stop System that is proportionate to the programs utilization of the System.

The purpose of this MOU is to establish a mutual understanding of the roles and responsibilities of the parties with respect to the one-stop delivery system and the WorkOne American Job Centers ("WorkOne Centers") in Northeast Indiana. This MOU identifies resources brought to the One-Stop System, and the shared infrastructure costs incurred (if any) by IPFW proportionate to the CTE programs utilization of the One-Stop System.

### **III. Duration of Agreement**

The term of this Memorandum of Understanding shall begin July 1, 2017 and must be reviewed by December 31, 2019.

The attached chart (Exhibit B) identifies the services provided by IPFW through the one-stop delivery system.

IPFW agrees to continue to work with NEINW to develop new access or improve upon existing access to their services through the one-stop system. Each partner will work with NEINW to analyze available services and identify areas where access to services through the one-stop system could be improved. The partners agree to work with NEINW on continuous improvement of the one-stop system.

## **VII. Referral Arrangements**

The primary principal of the referral system is to provide integrated and seamless delivery of services to workers, job seekers, and employers. In order to facilitate such a system, Partners agree to:

- a. Be responsible for their own clients and to refer individuals eligible for each other's programs as may best meet the needs of the customer;

As partners elect to negotiate with the workforce development board to locate staff in WorkOne offices, financial agreements with those individual partners may be negotiated and included in the attached resource sharing (Exhibit C).

In accordance with the Workforce Innovation and Opportunities Act the parties agree that the service costs and system operating costs must be shared in a manner proportionate to the usage of the one-stop.

### **IX. Dispute Resolution**

The parties hereto shall first attempt to resolve all disputes informally at the lowest level starting with the site supervisor and staff. If dispute resolution is not accomplished, any party may call a meeting of the parties to formally discuss and resolve all disputes. Should the parties fail to resolve the dispute, the dispute shall be referred to the President/CEO of NEINW who shall place the dispute on the agenda of a regular or special meeting of the Board's Executive Committee. The Executive Committee shall mediate the dispute and shall have final authority to resolve the issue.

### **X. Severability**

If any part of this MOU is found to be null and void, or is otherwise stricken, the rest of this MOU shall remain in full force and effect.

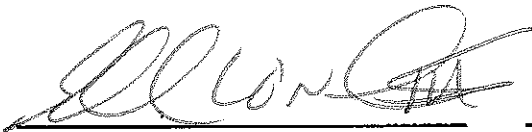

**XI. Modification**

This MOU constitutes the entire agreement between the parties hereto. A partner may submit a written request to the workforce development board for an amendment to this Memorandum of Understanding at any time. Such amendments will require the signatures of all partners and NEINW indicating agreement with the proposed changes on an amended MOU document. In the event that a signatory partner to this MOU ceases to receive Title V funding, that signatory will no longer be a party to this MOU.

## Exhibit C

NEINW and IPFW have agreed that services for the one-stop system are provided by direct linkages and that no common intake is utilized nor are any resources co-funded for the good of the system. As needs arise both parties will agree to discuss and negotiate as appropriate. If any common costs are determined and used to collaborate the partners will update this MOU and add the local funding agreements.
